This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

(If "No", skip to the next component; if "yes", complete each program description below (copy and complete questions for each program identified.)

2. Program Description:

a. Size of Program

- ☒ Yes ☐ No: Will the PHA limit the number of families participating in the Section 8 homeownership option?

The program will have a self-limiting factor built-in—income, ability to get a loan, etc. However, in the future we will reevaluate and increase the maximum number of families if the demand exceeds 25 families capable of homeownership. We do not want families capable of homeownership unable to utilize a homeownership voucher.

If the answer to the question above was yes, what is the maximum number of participants this fiscal year? Currently 25

b. PHA-established eligibility criteria

- ☐ Yes ☒ No: Will the PHA's program have eligibility criteria for participation in its Section 8 Homeownership Option program in addition to HUD criteria?

c. What actions will the PHA undertake to implement the program this year (list)?

1. We will continue to schedule and conduct the following training:
 - a. Homeownership Maintenance Class
 - b. Financial Literacy Class
 - c. Budgeting Classes
 - d. Homeownership Classes
2. The FSS Coordinator will continue to provide one-on-one financial, budget, and credit counseling to help participants prepare to successfully qualify for a mortgage.
3. CCHA has been marketing its Homeownership Program heavily for the past four years with much success for the size of our program and the price of housing in the county.. We currently have 4 families under a HAP Homeownership contract. We have marketed the program through our local affordable housing coalition of which USDA Rural Development is a member. We have 3 homeowners that have their mortgages with USDA Rural Development and 1 has a mortgage through RBC Centura. We continue to research mortgage option for our prospective homeownership participants. Our biggest problem is the lack of affordable homes for sale in the areas of the county that families want to live. The average price of a house sold in a subdivision, both new and existing, in Chatham County at the end of 2007 was \$354,105.
4. We will continue to contract with our previous FSS Coordinator who is a Certified Housing Counselor to offer our homeownership and financial literacy classes, along with individual financial counseling.

3. Capacity of the PHA to Administer a Section 8 Homeownership Program:

The PHA has demonstrated its capacity to administer the program by (select all that apply):

- ☒ Requiring that financing for purchase of a home under its Section 8 homeownership will be provided, insured or guaranteed by the state or Federal government; comply with secondary mortgage market underwriting requirements; or comply with generally accepted private sector underwriting standards.
- ☐ Partnering with a qualified agency or agencies to administer the program (list name(s) and years of experience below):
- ☒ Demonstrating that it has other relevant experience (list experience below):

4. Use of the Project-Based Voucher Program

☐ Yes ☒ No: Does the PHA plan to "project-base" any tenant-based Section 8 vouchers in the coming year? If the answer is "no," go to the next component. If yes, answer the following questions.

1. ☐ Yes ☐ No: Are there circumstances indicating that the project basing of the units, rather than tenant-basing of the same amount of assistance is an appropriate option? If yes, check which circumstances apply:

- ☐ low utilization rate for vouchers due to lack of suitable rental units
- ☐ access to neighborhoods outside of high poverty areas
- ☐ other (describe below:)

2. Indicate the number of units and general location of units (e.g. eligible census tracts or smaller areas within eligible census tracts):
